VFA Football and Cheer

As the fall tackle football and cheer season winds down the Villages Football Association would like to extend congratulations to our cheerleaders and cheer coaches! The Seven and Under squad and Ten and Under squads attended the NFYFCC Conference Cheer Competition October 16th and placed second in their divisions. This qualified both squads to attend the Regional Competition on November 20th in Ocala, Florida. In addition, the Villages Football Association cheer program won The People's Choice award at the Conference Cheer Competition.

The Seven and Under squad attended the Regional Competition on November 20th and placed second again, which qualified the squad to attend the National Competition in Orlando, Florida in December.

The Villages Football Association is very proud of what these girls and their coaches and parents have achieved this season!

On the football side, all of the VFA teams were very competitive this season. This was the VFA's first season competing in grade-based football with an American Youth Football conference. It was great to see many boys playing football for the first time and getting themselves into better physical condition with their first opportunity to play travel competitive football. VFA fielded six football teams this year from the 6th grade level and below.

The 5th Grade Panther team made it all the way to the Conference Championship game, while the 5th Grade Gold Panther team finished the regular season with a 7-1 record, qualifying for the playoffs and unfortunately having to face our own 5th Grade Panther team in the first round. It was a very close game that could have gone either way. The final score was 14-12 in favor the Panthers.

The 6th Grade Panther team finished the regular season with an 8-0 record, but lost in the first round of the playoffs. However, an undefeated regular season is a hard feat to achieve.

VFA is very proud of all of these boys and girls and are excited to continue moving forward and improving our programs in the years to come.
